Highlights

Free calls worldwide
Use your VOIP phone to call via Skype wherever you are. With Skype you can enjoy making free calls all over the world to any other Skype users. Skype, SkypeOut are trademarks of Skype Limited.

2-click installation
Enjoy an easy installation of your product. Thanks to a specific installation wizard, the installation is extremely simple and requires only 2 clicks from the end-user to be successful.

See your contacts on screen
Thanks to a short press on a dedicated handset key, it is possible to see your contacts and their Skype status on your screen. Thanks to the LCD, you can see the name of your caller or the pressed digit.

Unique roll-up cable
The handset has been designed to allow the neatly rolling of the cable around it.
